Project Progress Report

Project Name: Defibrillator

Report Date: 16 January 2025

1) Project Objectives:

This project will:

- Provide Community Public Access Defibrillator (CPAD)

2) Progress against Plan:

- Nothing to report
- £72 credit received as reimbursement for non-operational emergency phone in defibrillator kiosk.

3) Actions for Next Period:

Planned actions for next period:

- Continue with regular monitoring checks and take appropriate action if required.
- Await further information regarding issue with emergency phone. This is thought to be a cellular communication issue following the switch off of 2G/3G networks.

4) Risks and Issues:

- No risks or issues currently envisaged, although always potential for error codes to appear on CPAD device.
