

Great Alne Parish Council – Project Progress Report

Project Name: Road Safety inc Community Speedwatch(CSW)

Report Date: January 2025

1) Project Objectives: Describe Project Objectives

This project will:

- To assist with the reduction in speeding traffic and improve safety for road/roadside users in the village

2) Progress against Plan:

Achievements this period:

- Proposal submitted to WCC for funding of speed reduction programme following detailed submission and on site meeting with Justin Kerridge & Sally Rolfe
- Attendance at Central reporting System meeting related to Road Safety

Actions not completed / deferred

- Speedwatch programme for 2025 to be formalised and agreed by volunteers

New Plan Activities

- This is pending approval of plan mentioned above as a first step

3) Actions for Next Period:

Planned actions for next period:

- Agree with WCC & Warwickshire police measures to be taken forward
- Agree funding available
- Implement programme for work to commence
- Chase WCC for maintenance of existing measures (road markings etc)
- Discuss with Great Alne Park work to be done in the vicinity of entrance & funding to be provided

4) Risks and Issues:

Risks:

- Delays from authorities seeking approval
- Flashing signs are not effective or not approved

Issues:

- There are is still a number of elements of the plan that could mean these are rejected and leave us short of the budget we have to spend so a Plan B may be needed
