

**GREAT ALNE**  
PARISH COUNCIL

## **Project Progress Report**

**Project Name: Recreation Ground (play facilities)**

**Report Date: 10 March 2025**

### **1) Project Objectives:**

This project will:

- Provide Recreation Ground for the residents of Great Alne and the wider community forever.

### **2) Progress against Plan:**

Achievements this period:

- Regular monitoring and checking of recreation ground and assets therein.

Actions not completed / deferred:

- Wetpour repair not yet completed to satisfactory standard.

New Plan Activities:

- Research being undertaken into renewing the main information signs at both entrances to the recreation ground. The annual inspection last year pointed out that the address and precise location should be provided on the sign.
- Bring all equipment and facilities up to standard prior to embarking on any further projects.

### **3) Actions for Next Period:**

Planned actions for next period:

- Repair to wetpour to be carried out as per diagram sent to contractor when ground conditions allow.
- Replace log rungs on Junior Multiplay as some are now rotten with the potential to be a safety hazard.
- Arrange for welding to be repaired under slide as per annual inspection report from last August

### **4) Risks and Issues:**

- Cost prohibitive.
