Project Progress Report

Project Name: Coronation Copse and Community Orchard

Report Date: 13 March 2025

1) Project Objectives:

This project will:

- To improve and enhance the recreation ground for residents and the wider community whilst fulfilling our aims in terms of Climate Action and Biodiversity.

2) Progress against Plan:

Achievements this period:

- Trees in both copse and orchard re-mulched with chippings and general maintenance undertaken by volunteers.
- Community Orchard sign provided by WCC, but this has had to be returned as there were errors in the content on the sign.

New Plan Activities:

- To investigate the purchase of benches to enable the community to sit, enjoy and reflect – budget permitting.

3) Actions for Next Period:

Planned actions for next period:

- Investigate benches for both copse and orchard areas.
